Section 23a of the state construction code act of 1972, being section 125.1523a of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of the state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

***Any fees not covered by the above schedule, will be charged on an individual basis.**

Requests for inspections are taken between 9 a.m. and 5 p.m. for the next working day.
The installer is required to call for the inspections.
A minimum of 24 hours notice is required, when requesting an inspection.
